Biometric Instruction Letter

Dear BHAVNABEN KASWALA,

This letter refers to your application to Immigration, Refugees and Citizenship Canada (IRCC) for one of the following documents:

- temporary resident permit;
- work permit;
- study permit;
- temporary resident visa;
- visitor record;
- permanent resident application; or
- permanent resident card renewal.

Under the *Immigration and Refugee Protection Act (IRPA)* and its *Regulations*, you are required to have your fingerprints scanned and your photograph taken (your biometrics) at a biometric collection service point to help Visa Officers determine if you may enter or stay in Canada. Most applicants will need to give their biometrics at a biometric collection service point abroad **before** they travel to Canada.

Only those who are eligible to apply for a [work permit](#) or a [study permit](#) at a designated port of entry can give their biometrics upon arrival.

Why is IRCC collecting my fingerprints and photograph?

Your biometric information will be used under the *Immigration and Refugee Protection Act (IRPA)* and its *Regulations* to determine if you may enter or stay in Canada. Your fingerprints may also be shared with law enforcement agencies in Canada and may be used for the enforcement of any Canadian or provincial law. For more information about why the Government of Canada collects biometrics, how it uses your information and how it protects your privacy, please visit:
