Your appointment request has been submitted successfully. Your Reference Number is 2669699

As next steps, you will receive an e-mail from our team within the next 5 working days with a confirmed appointment slot at your chosen VAC Location.

If you have not received an appointment letter after 5 working days of making a request,

- please write to info.canada@vfshelpline.com stating the following subject line: **Appointment letter not received for webform reference no. XYZ**(mention webform reference number received upon submitting the request) **submitted on XYZ**(mention the date when webform was filled requesting for a biometric appointment).
- Alternatively, you will also receive an SMS from us confirming your appointment details, you may also present it at the Visa Application Centre in lieu of the appointment letter. Your details will be validated against our manifest (appointment list) for granting your entry.

We urge customers to refrain from sending multiple emails to ensure that a timely and correct response is sent to your reference number as we are facing higher than usual volumes.

Please download the consent form by [Clicking here](#) which you need to fill and carry with you on your scheduled appointment date and time.

Against this filled Webform, the only email that you will receive from VFS will be a confirmation with your appointment details.
