### Re: Employment Offer as a DevOps Engineer

Dear Ms. Neha,

Congratulations! We are pleased to offer you the position of "DevOps Engineer" with our organization. This is a full time, permanent position with a start date of September 16<sup>th</sup>, 2024. You will be required to produce all original documents including degree certificates, valid work permit, valid ID proof, valid address proof, SIN number on the date of joining. The following are the terms and conditions of your employment:

**Location of work:** 22 Ensign Place, Scarborough, ON M1G 2R1.

**Duties and responsibilities:** As assigned by the Client and/or Supervisor.

### **Wages and working Conditions:**

- CAD \$29 per hour
- 8 hours per day and 40 hours per week
- Over time will be paid 1.5 times the regular wage after 44 hours a week.
- Salary will be paid monthly

**Vacation:** Two weeks paid vacations

**Lunch Break:** The Employee shall be entitled to one hour of lunch or coffee break.

We are hoping that your skills & experience would contribute for the expansion of the business. Please sign at the bottom of the page, where it is mentioned to accept the offer.

Subhash Rabadia  
Director
