The Visa Officer,  
Canada High Commission,  
India.

**Sub: Request to Grant open work Permit (Spouse of a skilled worker)**

Respected officer,

I, Rahul Harilal Kaswala, Passport Number P8277598. This is regarding my plan to visit Canada to accompany my wife Nehaben Rahul Kaswala. My Wife - Mrs. Nehaben Rahul Kaswala got Canada Student Visa & she traveled to Canada on December, 23<sup>rd</sup>, 2022 for her further studies. At present she is pursuing a full-time post Graduate program in **DevOps for Cloud Computing** from **Lambton College**, DLI Number: 19305293332, and her study permit is valid till **December 31<sup>st</sup>, 2024**.

It has been little more than 3 and a half years since we married, and we have had been having a great life together. Our marriage took place on 21<sup>st</sup> May 2019 at Gayatri Pragyapith Temple in Ahmedabad.

Though our marriage was an arranged marriage, our families are having long-term relationships for years. Our grandparents were neighbors and had farming land just side by side with the common fencing wall, which was why both families were quite familiar with each other.

Since our parents moved into the town meeting each other was occasional during family functions or any social gatherings.

I remember the days when we met each other at the wedding of our mutual relative where we spent 2 days attending all the rituals of the wedding together and that was the time we came closer, we exchanged our contacts and the journey started.

The more we talked, the closer we moved, and then finally we decided to take our relationship to the next level from Family Relationship to In-Laws Relationship.

We tied the knot on an auspicious day as per Hinduism at Goddess Gayatri Temple dated on 21<sup>st</sup> May 2019 in the presence of all our family members, friends, and relatives in Ahmedabad, Gujarat - India.

We have always been supportive of each other's careers, dreams, and goals. As my spouse is fulfilling one of her dreams of enhancing her knowledge by the pursuing DevOps for Cloud Computing course at Lambton College - Toronto, I wish to be there with her not just to celebrate when she finally gets her degree but also to support her during this tenure of her study.

To be there with her to support her, I Rahul Harilal Kaswala, seek your kind permission and approval of my Open Work Permit visa (Spouse of Skilled Worker) as I am eager to meet her.

I am an employee of a renowned pharmaceutical company with a trading name, "Zydus Lifesciences Ltd. *formerly known as Cadila Healthcare Limited*" since September 10<sup>th</sup>, 2018 in Ahmedabad, Gujarat, India.

I am confident that, the skillset I possess, the experience I earned, and the demand for the skillset in Canada will be a huge advantage for me to secure employment in a very short time. Also, the experience I will gain in Canada will give me a great boost in my career once we return to India after her course completion.

Even if it will become slightly tough for me to find a job early, we have enough funds to cover my expenses in Canada. I have enclosed Job-Related Documents for your Consideration.

Kindly consider my application as I wish to accompany my spouse during her stay in Canada. I am providing all necessary documents such as sufficient funds, Income tax returns, and our relationship evidence.

I am thankful to the Canadian Government for having a law that shows, a married couple can live together under Regulation 205(c) (ii) of IRPA and Exemption [C42] Section relating to spouses or common-law partners of foreign students. It is also unreasonable to expect spouses to be far away from each other for this very long period of time that is even after a togetherness of more than 3 and a half years.

I and my wife have no intentions of breaking any laws while remaining in Canada and fully intend on leaving Canada at the end of our legal status.

I believe that the above information is enough to complete the process for an Open Work Permit (Spouse of a foreign student). Please contact me, if necessary and it will be my privilege to be of any assistance in your assessment.

Kindly consider additional supporting letters for this file.

Thanking you for your ongoing support.

Sincerely,

Rahul Harilal Kaswala

To,

The Visa Officer

The High Commission of Canada

**Subject: Inviting my spouse Rahul Harilal Kaswala on an open work permit**

Respected Officer,

I am thankful to the Canadian Government for having a law which enables married couples to live their lives together under the Regulation 205(c) (ii) of IRPA and Exemption C42 relating to Spouses or common-law partners of foreign students.

I, Nehaben Rahul Kaswala, am pursuing full-time post-Graduate program in **DevOps for Cloud Computing** from **Lambton College**, DLI Number: 19305293332 and my study permit is valid till **December 31, 2024**.

My husband is seeking for an open work visa since he satisfies the conditions of Regulation 205(c)(ii): "Spouses or common law partners of certain foreign students authorized to accept employment in the general labour market without the necessity for HRSDC or LMIA confirmation.

Therefore, I am requesting access to my husband's application in order to analyse the criteria for granting him a **Dependent Visa with Open Work Permit** so that we can live together and spend quality time together while I accomplish my studies in Canada.

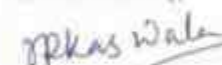

We married on May 21<sup>st</sup>, 2019, and I recently moved to Canada to continue my education. It is only normal that a young couple would not want to stay apart for such a long time because we both miss each other's company. It has been really challenging for both of us to sustain a long-distance relationship, which we have gone through as a couple. We hope to change this and remain in a pleasant, fulfilling, and healthy partnership.

We intend to remain together in Canada exclusively for the duration of our permitted stay and we will not breach any rules. As soon as he arrives in Toronto, he will start looking for work. He will live with me at 49 Mountland Drive, Scarborough, Ontario, M1G 2N7, Canada, and will also be supported initially by his own money until he finds suitable employment.

To support my spouse's application, I have included my admission and enrolment letter from college, a copy of my current study permit, evidence of residency along with the NOC from the property owner, and other crucial papers. If more documentation is needed, I will be happy to present it.

My email id: [njyabavishi@gmail.com](mailto:njyabavishi@gmail.com)

Yours sincerely,

**IMPORTANT INFORMATION**

Refer to [www.lambtoncollege.ca/International](http://www.lambtoncollege.ca/International) for arrival, orientation, refund and withdrawal information.

This acceptance is for Lambton College in Toronto ([www.lambtoncollege.ca/toronto](http://www.lambtoncollege.ca/toronto)). By making a pre-payment you acknowledge that you have received, read, and agree to the terms outlined in our Important Information for Toronto Applicants PDF. If you did not receive this document you must contact [international@lambtoncollege.ca](mailto:international@lambtoncollege.ca) before remitting payment. Transfers to other locations or into other programs is not permitted.

Lambton College cannot guarantee co-op placements for students. Students will be expected to canvass employers to find their own placement. Students that do not achieve a minimum cumulative GPA of 2.8 are not permitted to register in co-op; as an alternative, academically weak students will be required to complete an intensive in-class full time applied project during the fourth term of the program. Please review [https://www.lambtoncollege.ca/Programs/International/Lambton\\_in\\_Toronto/Co-op\\_Career\\_Services/](https://www.lambtoncollege.ca/Programs/International/Lambton_in_Toronto/Co-op_Career_Services/)

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Academic scheduling in certain programs may include Saturday classes.

Students must follow their prescribed program map and academic schedule. Students are required to withdraw if their prescribed program map and/or academic schedule is not followed. Deferrals will not be approved.

The stated tuition and living costs are provided as an estimate and are subject to change.

Second year fees are likely to increase by a minimum of \$600.

Please contact [international@lambtoncollege.ca](mailto:international@lambtoncollege.ca) if you require this document in an accessible format.
