

To,

The Visa Officer,

High Commission of Canada, Open Work Permit Section

Subject: Request for Extension of Spouse Open Work Permit

Respected Visa Officer,

I, Rahul Harilal Kaswala, am submitting a formal request to extend my open work permit. My wife, Mrs. Nehaben Rahul Kaswala, has recently finished her DevOps for Cloud Computing from Lambton College and has applied for her Post-Graduation Work Permit (PGWP) on 08th September. To support her as she begins her professional journey, I am seeking an extension of my open work permit.

Previously, I applied for my Spouse Open Work Permit based on my wife's student visa, which was approved in 2023. I arrived in Canada on April 3, 2023, and my current permit is valid until December 31, 2024. For your reference, I have included proof of our relationship documents.

To support my application, I have included the following documents of my spouse :

- A copy of her passport with all observation pages
- A copy of her work permit and PGWP extension acknowledgement letter
- Her college degree certificate
- Proof of employment for both of us

I have enclosed all necessary documents to support my application and am prepared to provide any additional information if needed. I kindly request the Visa Officer to review my application for an extension of my Open Work Permit and grant approval so that my partner and I can continue residing together.

Sincere Thanks,

R. Kaswala. 01st December 2024

Rahul Kaswala.
