Subject: Request for Visitor Visa for My Mother

Respected Visa Officer,

I am writing to request a visitor visa for my mother, Ms. Gitaben Dineshbhai Bavishi, refer personal details as below:

Name: Gitaben Dineshbhai Bavishi

DOB: 02nd December 1970

Current Address: C-503 Sukh Sahitya Heights, Opp. Mevada Green Party Plot, Nava Naroda Road,

Ahmedabad, Gujarat, India.

Pin code: 382330

Mobile: +919737913114

The purpose of her visit is to provide essential emotional and practical support during my first positive pregnancy, especially after experiencing two previous miscarriages. Her presence is vital for my well-being during this critical time, and she plans to return to India in 2 months once I am stable and more settled.

My husband and I are eagerly expecting our first child. This pregnancy holds significant emotional weight for us given our past experiences.

Recently, I have completed my graduation in DevOps for Cloud Computing from Lambton college, and I have applied for My PGWP on 07th September 2024. I succeeded to secure the position of a full time DevOps Engineer which is started from 16th September'2024 with Omega Software Services Ltd.

My husband is working with Shah Trading Company since April'2023 as a full-time employee and has a stable income. Recently he has been promoted to the role of a Sales Representative. In this role, he will be travelling away from home daily for his official work. During this time, nobody will be at home to look after me. Also, my health has been fluctuating with intense symptoms, making physical and emotional support crucial during pregnancy and after delivery.

To tackle this sensitive phase consciously, I would like to invite my mother here in Canada, so that she can stay with us and look after me and the Baby.

We believe that having my mother with us during this crucial time will greatly help both of us in our mental and physical well-being. Her presence will offer much-needed comfort and support, as well as assist with the preparations for the baby and managing household responsibilities.

My father Dineshbhai Chhaganbhai Bavishi is working as a Manager in a Diamond Making Company named as M/s Bhungaliya Brothers in Ahmedabad, Gujarat, India. He is living in India along with my brother, mother, and grandparents. They own two houses, a car, and farming land in India with good financial status. Their siblings and other blood relatives are also staying in India in the neighbourhood and are visiting very frequently during social occasions, get together and other family functions.

1. Purpose of Visit:

As my husband and I are expecting our first child, and this pregnancy is specifically very crucial considering previous experiences with two miscarriages, we are inviting my mother Gitaben Dineshbhai Bavishi, so that she can stay with us during this significant time and provide us the emotional support, warmth and practical assistance during my first pregnancy and postpartum. After delivery she will go back to her home country to resume her family life with my father, brother and grandparents.

2. Stay and Accommodation:

She will be visiting Canada from 07th January 2025 to 05th March 2025, for two months which will cover my expected last 1.5 months of pregnancy, time of delivery and postpartum. During the visit she will be staying with us at 51, Mountland Drive, Scarborough, Ontario M1G 2N7. During her stay, all living, and food expenses will be covered by herself and my father. If any additional financial support is required, my brother is also there to provide all the support for her expenses. I am attaching all financial supporting documents of my family and myself.

3. Reason for Returning India:

My parents have deep-rooted ties in India, including familial, social and professional connections. My father is working as a Manager in a Diamond Making Company named as M/s Bhungaliya Brothers in Ahmedabad, Gujarat, India since 2014. They are living in an extended family in my home country including my mother, brother and grand parents. My mother is an independent self-employed woman doing craft work and making customized outfits. My brother is working as a Software Engineer since Jan'2021 and recently, he has started own business along with the job in Dec'2023 in Ahmedabad, Gujarat, India.

My grandparents are living their retirement life and partially dependent for their day-to-day routine activities. My family is financially and socially well-established and is staying together in their own house since many years. My Mother is spending most of her time in her craft work, looking after my grandparents and other household activities. She is actively involved in the social and cultural activities. After delivery, she is planning to go back at the earliest so that she can resume her personal, profession, social and cultural life. Due to her dependency and work life in India, it is never expected to overstay in Canada during her visit.

4. Financial Establishments:

To address the concerns regarding their financial situation, I am enclosing updated balance certificates, Income Tax Returns, Valuation Reports of the current assets, Salary slips and letter of employment demonstrating their financial stability and ability to support themselves during my mother's visit to Canada.

Additionally, I am attaching my bank statement along with my husband to showcase our financial stability and ability to support my mother's stay during here visit in Canada.

Computation of Grade Point Average

Each course in the student's program is assigned a credit value, usually on the basis of one credit for each hour per week of classroom work.

The number of grade-points per course is determined by multiplying the number of credit points associated with the grade the student has achieved by the credit value assigned to the course.

The Grade-Point average is then determined by dividing the total number of grade-points accumulated by the total number of credits undertaken. Every student's record will contain a computation of the Grade-Point Average for each term individually (Term GPA), and an accumulated Grade-Point Average for the overall program from one term to the next (Program GPA).

Please visit Policy 2000-1-4 on www.mylambton.ca for a detailed example of grade point calculation.

Example:

Letter	Grade	Credit		
Grade	Points	Weight		
A	4	X	3	= 12
В	3	X	3	=9
В-	2.7	X	2	= 5.4
C+	2.3	X	4	= 9.2
			12	35.6

Grade Point Average: (35.6/12) = 2.97
